

What is Consent?

Consent for sexual activity is an **agreement** between two people that is...

- Clear
- Affirmative
- Unambiguous
- Freely given

You know **you have consent** for sexual activity when you and your partner...

- Agree on what to do and how far to go
- Are excited and engaged in the activity
- Feel comfortable and safe stopping at any time

If you are **not sure** you have consent **you don't**. You should...

- Stop immediately
- Talk with your partner
