Are you Being Stalked?

Does someone you know . . .

• Call or text you all the time?
• Send you unwanted emails, letters, or gifts?
• Show up unexpectedly at places you go?
• Post about you repeatedly on social media?
• Damage your property?

Sometimes people stalk their partners while they’re dating.

• This is a sign that you are in an unsafe relationship.

GET HELP

Stalking is a crime.
